

CORE SERVICES

We are committed to providing personalized services and becoming the one-stop-shop for all your talent needs.

Job Search

Pre-Employment Screening

All prospective candidates who register with Goodwill Employment Services are assessed by an Employment Placement Specialist. Goodwill Employment Services compiles vital information on prospective employees to ensure you are able to make an informed business decision.

Job Fairs

Goodwill Employment Services regularly hosts themed job fairs for corporate partners promoting their presence within the community.

Job Matching, Placement and Incentives

Job Postings

Your job vacancies can be posted at our Goodwill Employment Service office and are visible for all job seekers we service.

Candidate Referrals

Our database of qualified candidates is always growing, enabling us to effectively pre-screen and refer candidates who best fit your needs.

Employer Incentives

Once you have made the decision to hire, employer incentives may be available to minimize training costs.

Job Training and Retention

Training

Goodwill Employment Services provides training both in-house and through our various partnerships to ensure our candidates have the competitive skills they need to succeed.

Mentoring

Our candidates are matched with a professional mentor to ensure they are current in their respective industries.

Whether you are hiring 1 or 100 employees, we can assist in reducing the time and money you spend on employee recruitment, selection and hiring. Our Goodwill Employment Placement Specialists are happy to visit your place of business and assess your hiring needs, providing the service best suited to your business.
